1. A booking fee of \$ 250.00 of the above fee is payable with this contract and the balance of **\$450.00** plus all unpaid expenses will be payable upon receipt of an invoice or when the mare leaves the farm, whichever is first. The Breeder requires 48 hours advance notice when the Owner wishes to remove his mare(s) from the farm. This will allow us sufficient time to prepare the required health papers and final statement so the Owner may settle his account. The booking fee is non-refundable. 18% interest per annum will be charged on all accounts in excess of thirty days. This contract is governed by the laws of the State of Texas.

2. A copy of registration papers (both sides), shall accompany this contract. A current Coggins test shall be furnished upon delivery of mare to the breeding farm. It is recommended that mares be wormed within 60 days of entering the farm.
3. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. The Mare Owner will provide the breeding farm with a written breeding history. Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition shall not be bred. Mare Owner may substitute another mare within that breeding season.
4. The Breeder agrees to diligently try and settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall be held harmless. There will be a \$ 100 rebreed chute fee assessed the following year if the mare does not settle. This does not apply to mares who do not conceive and return during the current year breeding season.
5. Live Color Foal Guaranteed. Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is still-born, a season will be guaranteed the following year only, providing notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any omission of the Owner subsequent to the mare's departure from Platinum Paint Horses. Booster rhinopneumonitis vaccination must be administered as indicated by the individual drug manufacturer as the mare progresses through her pregnancy. Failure to do this will void live foal guarantee. Color guarantee is set as a return breeding at \$250.00 for a filly and \$100.00 for a stud colt. All other fees or charges, including collection fees, apply as with any breeding. Rebreed privileges extended beyond the following year shall be subject to an additional fee.
6. The breeding season in force for this contract shall begin February 1st and close July 1st of the year covered by this contract. No new mares will be accepted for on site breedings after the first of June unless special arrangements are agreed upon by both parties.
7. It is further agreed that should the above named stallion die, or become unfit for service, or, if the above named mare dies or becomes unfit to breed, then this contract shall become null and void, and any money paid as part of this service (except board and veterinary, ect.) shall be refunded to Owner.
8. A breeder's certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of the birth of the foal.
9. Waiver of Liability. It is understood that Platinum Paint Horses, stallion owners, employees, veterinarians, and guests shall not be liable for accident, sickness or death to mare or foal, whether from fire, flood, theft, act of God or any other reason. Mare owners will likewise not be responsible for accident, sickness, or death to the above named stallion, employees, veterinarians, or other animals in the care of Platinum Paint Horses.
10. Board: Dry mare; 12 per day. Wet mare; 14 per day.
11. When the above name Mare Owner signs and returns one copy of this contract to the Breeder, it will then be a binding contract on both parties, subject to the terms and conditions. This contract is not valid unless completed in full.
